This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

U.S. LIBRARY OF CONGRESS

A LIST

OF

LINCOLNIANA

120969

IN THE

LIBRARY OF CONGRESS

BY

GEORGE THOMAS RITCHIE
ASSISTANT IN CATALOGUE DIVISION

---

1. **Writings of Abraham Lincoln**
2. **Writings relating to Abraham Lincoln**

WASHINGTON
GOVERNMENT PRINTING OFFICE
1903

INTRODUCTION.

This list is mainly an inventory of the books and pamphlets on Abraham Lincoln as they stand on the shelves in the biographical section of the Library. To this are added references to collected works containing biographical sketches, orations, etc.; also a list of the writings of Lincoln as they appear in the card catalogue.

It does not contain titles of magazine articles except where they have been separately treated as monographs.

It is not presented as a statement of the entire contents of the Library on the subject, as further research would undoubtedly discover much more material in collected works and miscellaneous compilations.

As indicated above, the work is intended to serve as an inventory or check list, not as a bibliography.

G. T. RITCHIE,
Assistant in Catalogue Division.

HERBERT PUTNAM,
Librarian of Congress,
Washington, D. C., June 5, 1903.

WRITINGS OF ABRAHAM LINCOLN.

Lincoln, Abraham.

Complete works. Comprising his speeches, letters, state papers, and miscellaneous writings. Ed. by John G. Nicolay and John Hay.

New York: Sheldon & co., 1874. *viii, 7–215 pp.* 12°.

"The remarks on the Address as originally prepared were too voluminous for a magazine. I therefore condensed and reduced them to three papers which appeared in the Galaxy for October, November and December 1873. The reception of those papers by the public, led the publishers and others to request that the numbers which had appeared, and the whole of the omitted portions with attending details and such additions as I thought proper, might be embodied in a volume, which is herewith submitted." *Preface, p. vii.*

Also separate the third paper from the Galaxy, December, 1873.
